Welcome

November – our month to be thankful. I am so thankful to be a part of the IAAP family. I have learned (and continue to learn) so much from working with you all. You are a great group of people! Always remember to tell your fellow chapter members how much you appreciate them!

Fall FLAN Hosted by Sara-Keys Chapter

Local chapters should plan to attend the FLAN meeting to be hosted by the Sara-Keys chapter in Sarasota on Saturday, November 13 from 9:00am – 12:30pm. A flyer with more information is available on the home page of the Florida Division website. Please RSVP by November 10.

The Gift of Membership

Did you know that you can pay another member's dues as a gift? Is there someone in your chapter who is unable to renew his or her membership? Several members could contribute toward the renewal. The gift can remain anonymous. See International Library Document 3318 for forms.

Who Killed This Chapter?

Are you looking for a fun event for a chapter meeting? How about enacting a couple of short plays – "Who Killed This Chapter" and "Who Saved This Chapter?" The scripts, which set up mock-trials of a chapter, are available as International Library Document 5524. The scripts emphasize, in a humorous but pointed manner, that it takes each member to make a chapter successful.

Florida Division e-Group

Have you signed up to be a member of the Florida Division e-Group? It's now a Silver Certificate award criterion that 75% of each chapter's membership be a member of the e-Group. Log into the Web Community, click on the e-Groups tab, then click on Add/Change Subscriptions.

Bounce Back–Bounce Higher

Registration is open for the International 2011 Spring Conference in Tampa March 7-9, 2011. An optional 6-hour hands-on Microsoft training session with Gini Courter on March 6 is also being offered. Visit the HQ website for more information.

International & RTF Committee Applications

Applications for one-year appointments to the 2011-2012 International Bylaws and Standing Rules Committee, Committee on Nominations, or Retirement Trust Foundation Committee are now available. See Document 6651 for more information.
